

WHY SO SPECIAL?

ANEMONE 'Puff Pink'

- ✓ Very novel double
 - ✓ Deeply rose
- Petals are thinner, more abundant than a full double. Thigh-high when mature.

BAPTISIA 'Aurora'

- ✓ Yellow to purple bicolor
 - ✓ Creek Hill introduction
- Habit is remarkable. Stature is more upright than wide with very tall spikes.

CAREX 'Moon Falls'

- ✓ Broad white stripe in center
 - ✓ Opposite of 'Feather Falls'
- This one is the smallest of the three Falls series Carex. 'Ribbon Falls' is the tallest.

CENTAUREA 'Silver Swirl'

- ✓ Silver ruffled leaves
 - ✓ Hardy to zone 6
- A wavy plant used in a similar manner to dusty miller in perennial gardens.

DICENTRA 'White Gold'

- ✓ White bleeding heart
 - ✓ A vigorous white
- All three of the gold-leaf Dicentra maintain their citrus foliage through the season.

ECHINACEA Double Scoop 'Watermelon Deluxe'

- ✓ Larger flower sizes
 - ✓ Beefier plant, more stems
- Deluxe adds more growing points to a better, thicker crown. Has a better lifespan in the garden.

ECHINACEA

Kismet 'Pink Lemonade'

- ✓ Bicolor of pink and yellow
 - ✓ Strong margin between colors
- This Echinacea extends the strong Kismet line into exotic colors.

ECHINACEA 'Panama Red'

- ✓ Excellent landscape plant
 - ✓ Round flowers on dwarf stems
- Sturdy mid-sized coneflower works equally well in a number of soils.

HAKONECHLOA 'Lemon Zest'

- ✓ Striped golden version
 - ✓ Bright yellow with white
- Same height and draping foliage as 'All Gold' with distinctive racing stripes added.

HEUCHERA 'Forever Midnight'

- ✓ A really dark purple
 - ✓ Darkest in the Forever series
- Most Heucheras cycle their colors through the season. The Forevers stay true.

HYDRANGEA 'Early Evolution'

- ✓ White flowers age to pink
 - ✓ A teacup shrub
- Beautiful garden hydrangea dwarfed down to the size of a herbaceous perennial.

POLEMONIUM 'Hurricane Ridge'

- ✓ Bigger, takes sun better
 - ✓ Mauve-blue flowers
- Blooms are quite fragrant. Foliage has a fern-like quality.

SALVIA 'Dark Matter'

- ✓ Blooms earlier for retail
 - ✓ Reblooms over the summer
- More intense color with a thicker set of stems.

SALVIA Feathers 'Flamingo'

- ✓ Light pink spires
 - ✓ Filigree-style foliage
- Blooms half a month before others. Oversized flower buds on filigree-style foliage.

SALVIA Feathers 'Peacock'

- ✓ Light blue spires
 - ✓ Filigree-style foliage
- Blooms half a month before others. Oversized flower buds on filigree-style foliage.

OUR CORE BUSINESS

Over 500 cultivars are in active production to serve the industry. We have a wide selection, a deep inventory, and frequent crop rotations.

SEDUMS & SUCCULENTS

A wide range of colors, shapes, and textures.

SHADE PERENNIALS

Color options and interesting textures.

WIDE SEASON OF BLOOM

Color from early spring to summer through late fall.

NATIVE PERENNIALS

Built to survive our natural climate.

BROAD SELECTION

Backbone perennials that anchor every program.

NEWEST OF THE NEW

Introducing the best new breeding every year.

BEE SUPPORT

Keeping gardens healthy and well-pollinated.

QUALITY TRAYS

Well-rooted and well-vernalized with lush tops.

GROUNDCOVERS

A wide range of textures, colors, and sun habits.

DEEP INVENTORY

Capacity to handle large orders and special needs.
